

KAIKORAI VALLEY COLLEGE

CURRICULUM COMMITTEE POLICY

OPEN 5.1

OBJECTIVES

1. To assist the school in complying with the National Education and Learning Priorities (NELP) , The National Curriculum, the school's curriculum goals, and the objectives of the School Charter.
2. To monitor the impact of changes to the curriculum on the whole school curriculum.
3. To address barriers to learning in order to ensure that students' learning needs are met.
4. To develop curricula on an on-going basis to meet the changing needs of the students and community.
5. To respond to issues emerging from a yearly curriculum review of goals and programmes.
6. To discuss changes to the curriculum in an open forum.

GUIDELINES

1. The curriculum meets all requirements of the National Education and Learning Priorities (NELP), and the National Curriculum
2. The learning needs of students are identified so that appropriate curricula can be offered.
3. Students' progress and achievement in all the learning areas is regularly assessed and evaluated by departments and will be reported to the Curriculum Committee.
4. The Curriculum Committee is comprised of all Heads of Department/Teachers in Charge and Senior Leadership Team
