

KAIKORAI VALLEY COLLEGE

SMOKEFREE ENVIRONMENT PROCEDURE

OBJECTIVES

1. To educate students and staff about the dangers of active and passive smoking.

DEFINITION

For the purposes of this procedure smoking includes cigarettes or vaping.

GUIDELINES

1. Kaikorai Valley College is a smoke free school. The school follows current legislation which states that all schools must be smoke free at all times.
2. Every effort is made to educate students and staff about the dangers of smoking and vaping.
3. All students and staff are expected to comply with smokefree legislative requirements. Students breaking the rules are subject to an agreed set of advice and consequence procedures.
4. Contractors are made aware of the smoke free environment of the school.
5. Notices and posters discouraging and/or forbidding smoking are displayed.
6. Any complaint is to be addressed in writing to the Principal.
7. Students found in the possession of cigarettes or vaping paraphernalia will be treated in the same manner as if they are using the cigarettes or vaping paraphernalia.
